

TECHNICAL SPECIFICATIONS

Assembly Hall – Rainy Hall

Assembly Hall
Mound Place
EH1 2LX

NOTES

Any additional staff or items of equipment, which the management are requested to provide, will be charged to the visiting company.

Any practical electrical equipment you wish to use should have a current PAT certificate and be cleared with us. We reserve the right to refuse the use of any equipment which is deemed unsafe.

Each company is assigned a get-in/rehearsal time prior to their first performance. This is the time for you to load your set and props into the venue and for you to re-tech your show. You will also need to allow sufficient time to rehearse your daily turnaround and set storage. Please note that your slot time must include get-in and get-out time.

This rehearsal can be scheduled as early as the Saturday before your first performance. The company must be able to attend rehearsals at any time from the Saturday morning onwards.

Please note that, due to the Scottish Executive regulations, smoking is not permitted in any venues, including the use of herbal cigarettes. Only electronic cigarettes may be used.

At the end of the festival, please arrange for removal or disposal of your set and any unused publicity material. There will be a charge applied to cover the cost of disposal should you not comply with this request.

Please note, since this is a temporary conversion and not a permanent theatre, all measurement and quantities quoted in the above specification are approximate and may be subject to change.

For detailed and up to date information regarding the venue please contact the Technical Manager – technical@assemblyfestival.com.
